

SEANERGY MARITIME HOLDINGS CORP. REPORTS FINANCIAL RESULTS FOR THE FIRST QUARTER ENDED MARCH 31, 2015

July 15, 2015 - Athens, Greece - Seanergy Maritime Holdings Corp. (the "Company") (NASDAQ:SHIP) announced today its financial results for the first quarter ended March 31, 2015.

Highlights of 1Q 2015:

- Delivery of the Capesize M/V Leadership on March 19, 2015
- Total equity of \$6.5 million
- Total cash of \$1.8 million

Management Discussion:

Stamatis Tsantanis, the Company's Chairman & Chief Executive Officer, stated:

"In the first quarter of 2015 we re-launched our shipping operations with the acquisition of the Capesize M/V Leadership, which we took delivery on March 19, 2015. We believe that the acquisition of the M/V Leadership took place at the low part of the dry-bulk shipping cycle of the last 10-years. In addition, the Company is fully committed to its business plan, which is to grow its fleet on a sustainable basis. More specifically, we are actively reviewing the market in order to pursue suitable vessel acquisitions from both unaffiliated third parties and from our Sponsor.

"The dry bulk market is gradually recovering from the low point of the cycle of the last 30 years. Our belief is that Seanergy represents a unique platform and opportunity for growth in this historic timing."

"Turning to the financial results, the Company ended the first quarter of 2015 with \$19.8 million in total assets, \$6.5 million in shareholders' equity and \$1.8 million in cash and cash equivalents."

First Quarter 2015 Developments:

Delivery of the 2001-built Capesize vessel

On March 19, 2015, the Company took delivery of the 2001-built Capesize vessel from an unaffiliated third party that was renamed Leadership. The gross acquisition cost of the M/V Leadership was \$17.3 million that was financed by a senior secured bank loan and a funding arrangement with our Sponsor.

Agreement for New Loan Facility

On March 06, 2015, the Company entered into an \$8.75 million bank loan facility to partly finance the acquisition of M/V Leadership. The loan facility is repayable in twenty quarterly installments plus a balloon installment and is secured by a first priority mortgage over the vessel.

Entering into Funding Arrangement

On March 12, 2015, an entity affiliated with one of the Company's Sponsor and a member of the management team agreed to provide \$8.8 million to partly finance the acquisition of M/V Leadership and for general corporate purposes. The \$4.8 million was contributed in exchange for 26,667,500 common shares, which were issued on March 18, 2015. The remaining amount was provided in the form of a convertible promissory note issued on March 12, 2015. The purchasers of the newly issued shares have received customary registration rights. The transactions were approved by an independent committee of the Company's Board of Directors, which obtained fairness opinions from an independent financial firm.

Receipt of Nasdaq Notice

As previously announced, in January 2015, the Company received a notification from the NASDAQ Stock Market, indicating that the Company is not in compliance with Nasdaq Listing Rule 5550(a)(2) because the closing share bid price was below the minimum \$1.00 per share requirement. The Company has 180 days, or until July 27, 2015, to regain compliance. In case the Company does not regain compliance within the aforementioned period it will be eligible for an additional 180-day grace period. The Company intends to request the 180-days grace period since it is in compliance with the continued listing requirement for market value of publicly held shares and all other initial listing standards and is considering its options, including effecting a reverse stock split, if necessary, in order to regain compliance. During this time the Company's common stock will continue to be listed and trade on NASDAQ and its business operations are not affected by the receipt of the notification.
